

Coding & Solution

Team Members: Thrivedh Reddy (Lead), Bhagesh T., Harshavardhan R., Vijay R., Sampath K.

1. Backend Codebase

FastAPI routes exposed on `/analyze-event`, `/fact-check`, and `/generate-conversation`. Integrated schema validation via Pydantic.

2. Frontend Codebase

Streamlit page handles description textbox, interest text inputs, result lists, feedback buttons, and history reloads.
