|----------------------|-----------------------------------|
| <b>Date</b>          | 15 March 2026                     |
| <b>Team ID</b>       | Group 5 (AP24110011158)           |
| <b>Project Name</b>  | Personalized Networking Assistant |
| <b>Maximum Marks</b> | 1 Mark                            |

### Communication Plan:

Effective communication is essential for a successful project demonstration. This document outlines the communication strategy used within the team and with stakeholders throughout the project lifecycle, including how updates, issues, and feedback were managed.

| S.No | Communication Type             | Frequency        | Channel / Tool | Participants | Purpose                    |
|------|--------------------------------|------------------|----------------|--------------|----------------------------|
|      | Thrivedh Reddy                 | Online           | Discord        | Daily        | Align sprint daily stories |
| 1    | Team Standup<br>Bhagesh T.     | Daily<br>Online  | GitHub         | As needed    | Merge feature branches     |
| 2    | Progress Update<br>Vijay Reddy | Online<br>Weekly | WhatsApp       | Daily        | Debug python compatibility |
| 3    | Issue / Bug Discussion         | As Needed        |                |              |                            |
| 4    | Stakeholder Review             | Bi-Weekly        |                |              |                            |
| 5    | Final Demo Rehearsal           | Once             |                |              |                            |
| 6    |                                |                  |                |              |                            |

### Communication Challenges & Resolutions:

| S.No | Challenge Faced                                | Resolution / Action Taken |
|------|------------------------------------------------|---------------------------|
|      | Python 3.14 windows library compilation errors |                           |
| 1    |                                                |                           |
| 2    |                                                |                           |
| 3    |                                                |                           |
